Artist Website: www.jpenfield.com

PROFILE:

Penfield lives and works as a freelance artist/graphic designer in Minneapolis, MN. He works primarily with musicians, providing visual identity for use on CD covers, posters and other materials. He has been exhibiting his paintings, intaglio prints and drawings regularly as well as providing community art education to students in St. Paul, MN most recently. He plans on pursuing this further by going for an MFA with the intent to teach at a college level.
